Dear Mr. Eaton,

I wrote Mr. Perkins on March 27th, inquiring into the possibilities of broadcasting a play-by-play description of the Yale-Amherst baseball game to be played at Yale on April 20th. He answered my letter two days later, replying that it was perfectly OK with the Yale University Athletic Association. He also remarked that it would be a good idea to write you about the broadcast.

We will have a three-man crew to do the game, which will be transmitted via telephone lines. I hope such a broadcast is x agreeable with you.

Sincerely,

John S. Lancaster
